- Content Management in Culture P.C., Comic

Name of the Deed:

RoGH: Routes in the paths of Greek History.

Main Objective of the deed: the creation of a platform for the highlighting of important historical epochs and events of Greek History in a journey through place and time. The platform has the ability to accept digitized content and multimedia material (2D, 3D, Holograms) and to highlight them through a system of virtual and augmented reality.

Budget: 517.175,00 €
